

FULL PRODUCT LIST

OXI-FEND®

OUR ANTIOXIDANT RANGE

Customised blends of New Zealand grown bioactive functional ingredients. Formulated to improve **cardiovascular, tissue, and respiratory function.**
Anti-ageing, anti-wrinkle, anti-inflammation, and anti-microbial.

SAUVIGNON BLANC GRAPE SEED EXTRACT

High in water soluble polyphenols for improved bioavailability, delivering increased antioxidant capacity, anti-inflammatory and reduction in cell oxidative stress as well as its antiviral properties.

RED GRAPE EXTRACT (PINOT NOIR)

High in water soluble polyphenols that have been clinically proven to have strong food satiety properties with suggested evidence that it slows down the conversion of food starches into simple sugars. It contains the same natural polyphenols, that can be found in a glass of red wine including a trace amounts of resveratrol which have shown in vitro trials to exhibit anti-inflammatory properties and to assist with blood pressure control.

BLACKCURRANT EXTRACT

Naturally high in antioxidants particularly anthocyanins that have been shown to have anti-inflammatory properties, to maintain healthy eye sight, boost immunity and help maintain cognitive functions.

BLACKCURRANT EXTRACT (ORGANICALLY CERTIFIED)

Having the same functionality as our traditional Blackcurrant Extract but this time organically certified to a standard that is NOP recognised.

BLACKCURRANT JUICE POWDER

Modest levels of anthocyanin and polyphenols have been shown to help boost natural immunity, post exercise recovery in muscle tissue and eye health.

BOYSENBERRY EXTRACT

The unique range of polyphenols in this extract have been shown to aid in the recovery of bronchial and general respiratory tissue that have commonly been damaged by air pollutants.

CARDIO BLEND

A proprietary blend of our Grape Seed and Grape Skin Extract that has been shown to support a healthy anti-inflammatory response and to maintain a healthy cardiovascular system.

FRUIT COMPLEX

A superfruit extract blend of 5 different New Zealand grown fruits delivering a broad range of water-soluble antioxidants. 250mg of this blend will deliver an equivalent amount of antioxidants, found in a serving of fresh fruit. An ascorbic acid added version of this extract blend is also available delivering your daily requirements of Vitamin C.

SPORTS BLEND

A proprietary blend of New Zealand Grape Seed and Blackcurrant Extract that has clinically been shown to reduce oxidative damage of muscle tissue during exercise and aid in recovery.

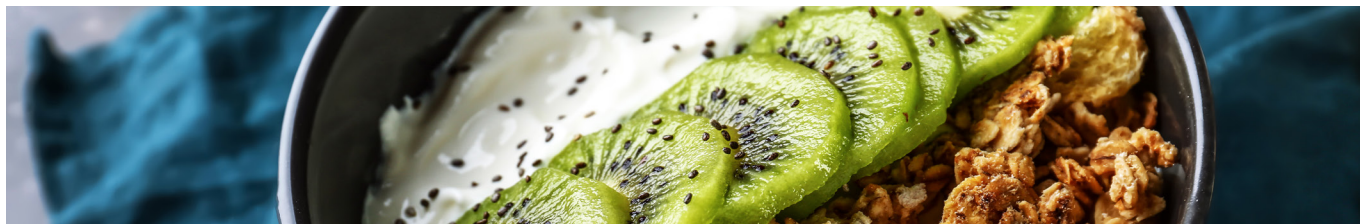

THROATSOOTHER BLEND

An anti-inflammatory and antimicrobial extract blend that is effective against Gram negative and selective Gram positive bacteria that cause sore throats. Lab studies have shown it to be more effective than Manuka Honey.

DIGESTEN®

OUR DIGESTION & GUT HEALTH RANGE

KIWIFRUIT ENZYME ACTIVE POWDER

Rich in polyphenols, soluble/insoluble fibre and natural proteolytic enzyme activity that assists in the digestion of food proteins at stomach pH's as well as promoting gut health.

KIWIFRUIT POWDER

Freeze dried seedless Kiwifruit flesh, this extract delivers high soluble and insoluble fibre and polyphenols.

KIWIFRUIT SKIN EXTRACT

Prebiotic functionality – rich in soluble fibre and polyphenols to help stimulate the growth of one's own gut bacteria.

KIWIFRUIT COMPLEX (a proprietary blend of Kiwifruit Enzyme and Skin Extracts)

Improved bowel health and regularity. Compared to other competitive brands this blend has more than twice the fibre content, enzyme activity and up to 3x the polyphenol content.

SATISFAX®

A clinically proven Satiety/Weight management blend of Grape Seed Extract, Red Grape Skin Extract and Kiwifruit Skin Extract for supplement and food and beverage (UHT stable) applications.

VINANZA®

OUR BEAUTY & SKIN CARE RANGE FOR BOTH TOPICAL & ORAL APPLICATIONS

KIWIFRUIT EXTRACT

Clinically proven skin whitening/brightening properties.

SAUVIGNON BLANC GRAPE SEED EXTRACT

Clinically proven skin protection particularly against UV A & B and other oxidative changes caused by the environment.

SKIN PERFORMANCE + (a proprietary blend of Kiwifruit & Grape Seed Extracts)

A clinically proven antiaging extract blend that improves skin elasticity, moisture retention and reduces skin red spots. For both oral and topical use.

WAKAME BIOACTIVE GEL (a liquid extract from the Undaria seaweed)

Skin moisturising properties.

All of NZEL's extracts are manufactured using only locally sourced raw materials using sustainable growing techniques, and potable water. Nothing is imported and absolutely no organic solvents or chemicals are used in their manufacture. May 2020
